

## T'ai Chi Winter Training, 18. - 25.01.2025 in Götzens, Austria

The **European Winter Training 2025** will be held in the village of Götzens, in Austria. Götzens is 10 km southwest from the airport and train station in **Innsbruck**.

Götzens, nestled between the snow-capped and well-rooted Tyrolean mountains, shows us an abundance of the different states of the Water element in Winter: snow, ice, crystals, steam and streams. Surrounded by impressive mountains, blue skies, and clean crisp air, it is easy to palpably absorb the solidity of earth and the openness to the heavens, inspiring us all to explore solid grounding, free flowing energy and creativity inside ourselves.

2025 will be our school's 50<sup>th</sup> anniversary! From the Götzens organizing team, our gift to the 50<sup>th</sup> anniversary is to invite four of the LHAC members: Greg Woodson, Gerrie Sporken, Sherry Kent and Jonathan Stow to lead, teach and celebrate together with all of us. You are invited to join us doing tai chi and celebrating in an inspiring location.

<b>Dates</b>	<b>Saturday, January 18<sup>th</sup></b> (arrival day) through <b>Saturday, January 25<sup>th</sup></b> (departure day)
<b>8th level</b>	<b>Thursday, January 16<sup>th</sup></b> (arrival day)
